5 I told you folk that discord was a waste of time for TD. I got roasted, now you see the effects of relying upon a liberal shit-stain platform.

▼ I wish I had known about and joined the server just so I could get another social media account banned for no reason. It's a mark of honor.

▼ There's two things going on here for me with this post.

1. You unironically used "wives"
2. I'm like 99.99% sure you would absolutely RECK the person who made the rule/decision to ban your Discord account.

MUCH KEK
